

# Private Screenings

## Guidelines

Regal makes it easy for you to wow your attendees with a special screening of the latest blockbuster in a private auditorium, ensuring guaranteed seating with no waiting in lines for your group. Perfect for client and employee appreciation, church and club outings, or school and camp field trips.

### Screening Types

**Non-Business Hours Screenings** are held in the morning before the theatre opens for regular business. This is generally between 8-10 am, though holiday and summer business hours may vary.

- A minimum of 100 attendees
- Pricing is based on the Adult Matinée rate. School groups & day camps will be charged the Child Matinée rate.

**Regular Business Hours Screenings** are held while the theatre is normally open for business to the general public.

- A full buyout of a selected auditorium is required (i.e. a ticket is purchased for every seat of the selected auditorium).
- Pricing is based on time of day, day of week and number of seats in the auditorium.
  1. Matinée hours – Full buyout at the Adult Matinée admission rate
  2. Evening hours – Full buyout at the Adult Evening admission rate
